

InnoNext for EIT Talents!

Connect with the European Innovation Ecosystem like never before!

Get in touch with **cutting-edge startups and companies** from top European Programmes like EIC, EIT, ERC, MSCA, and Horizon Europe Research Infrastructures.

Take the chance to **develop your entrepreneurial skills** and test your research in real-world applications.

With InnoNext you get:

- ✓ Fully-funded Innovative Internships
- ✓ Mentoring and Support through the experience
- ✓ Smart matching with projects aligned with your skills and interests

Apply to InnoNext if you are or you have been students or graduates from EIT Label Master's or Doctoral programmes!
