Registration - website

1. Enter the **Hosting Companies** section on www.innonext-project.eu and read more about the **Open Call**.

Registration - form

2. Fill in the form on the **Hosting Company page** with some **information** about your **company** and the **representative**

The image shows a registration form with several sections. A purple arrow points to the 'Company Information' section, and a red arrow points to the 'Eligibility' section. The 'Company Information' section includes fields for Company Name, Company Representative (Name and surname), Company Size, Company Website, Country, and Gender of the CEO. The 'Eligibility' section includes fields for Affiliate Program, Project Acronym, Project ID, PIC Number, KIC, KIC Programme, Name of the Supporting Programme, and Registration Number. The 'Contacts' section includes fields for First Name, Surname, E-Mail, and Telephone Number. At the bottom, there is a privacy policy section and a 'Send' button.

Details requested if you are an **EIT Company**:

- The **Registration Number** is the official organisational identifier, analogous to the **VAT number**.
- The **Name of the supporting programme** is the initiative, or collaboration through which your company has received support, funding, or established a partnership, it needs to be specified if it is not listed in the options.

! Are you **affiliated** with **InnoEnergy, Climate KIC** or other **Knowledge and Innovation Communities**?
Please note that these **programme were initiated by EIT**, so you will need to **select “EIT”** in the affiliate programme field.

Registration - eligibility documents

3. After registration you will receive an email requesting you to **sign and send back to** companies@innonext-project.eu:
- **Letter of Commitment** (read the [dedicated section](#) to know more about it)
 - **Certificate or engagement letter** - if affiliated with EIT (read the [dedicated section](#) to know more about it)

4. After the validation of the documents you will **receive the instructions to access the matchmaking platform.**

**How can we
publish an
Innovation
Internship
opportunity?**

Publish an opportunity - matchmaking platform

After filling the registration form you will **receive the instructions to access the matchmaking platform** for the first time and to set up your credentials

The matchmaking platform is separate from the InnoNext website, you can access it via [this link](#) or by clicking on the **“platform” button** on the InnoNext website.

Publish an opportunity - vacancy section

1. Access the **vacancy section** to **manage your innovation internship opportunities** or **add a new one**

Use the **Add button**

or access the **vacancy section**

2. **Fill the Vacancy form** to create your opportunity and click the **“publish” button** to publish it

! You can create **as many vacancies as you wish**

! Read carefully the [Guide to Creating an InnoNext Vacancy \(.pdf\)](#) and **follow the tooltips** on the form to write an **optimal opportunity** and enhance your chance of **finding a match**.

How does the selection process work?

[Back to index](#)

The selection process - invitation

- 1. Click on each opportunity in the vacancy section to see the applicants and review their profile and CVs

- 2. Once you have identified the **candidates to be interviewed**, contact them directly by email or via the platform

The selection process - interviews

3. During the **interview** you and the Talent can **agree on the details of the internship** (i.e. period, starting date, work modality).

Remember to **change the status of the application** of the candidate after **each step**, this will **inform the InnoNext team** and activate actions that will **speed up the process** and help **us collect feedback** to **enhance the programme**.

What to do when we select a Talent?

[Back to index](#)

Internship Activation - signature

1. When the Talent accepts your internship offer you must access the platform and **change their application status** in **SELECTED**

2. After changing the status you will receive the **Innovation Internship Agreement*** (Annex 2 of the Letter of Commitment) via email. Both you and the Talent must **sign** it before **sending it back to InnoNext**.

*More details in the [dedicated section of this Guide](#)

Meanwhile the Talent will also receive instructions to sign the Declaration of Honor and, if applicable, also the financial Agreement.

3. After **verifying the correctness of the documents** the InnoNext team will change the Talent's application status in HIRED and the internship can start!

Internship Activation - close vacancy

4. After activating an Internship you can choose to **close the vacancy** or to **keep it open to select other Talents to host as intern**.

To **close the vacancy** select the **option menu** (three dots icon) near the opportunity you want to close in the vacancy page and **click “Archive”**
